

Technical Specifications

MoDu shower system high end

Mobile shower system	
	<i>MoDu high end</i>
dimension LxBxH	800 x 500 x 1300mm
weight (without water)	38kg
power supply	100-240VAC
frequency	50/60HZ
power consumption	500Watt
pump (number)	3
protection class	IP44
temperature/water	max. 46°C
capacity	2x 20 Liter

- 1..... MoDu shower
- 2..... main switch
- 3..... Container 20L shower water
- 4..... Tank 20L service water
- 5..... power cord
- 6..... earth leakage circuit breaker
- 7..... Touch panel
- 8a... Water inlet for shower head - coupling plug/home shower
- 8b... Water inlet for shower head - coupling/hose side
- 9a... Water drain for suction head - coupling plug / home shower
- 9b... Water drain for suction head - coupling/hose side
- 10... showerhead
- 11... suction head
- 14... shower hose
- 15... suction hose
- 16... water stop function
- 17... power cord holder (5)
- 18... Holder for suction hose (15)
- 19... Holder for shower hose (1)
- 20... push handle
- 21... coarse filter
- 22... Swivel castors with brake
